Packing List for Band Camp at Orkney Springs

- SHEETS & PILLOW CASE (REQUIRED). Once rooms are assigned, you need to find out if you will have a single or double bed. **Room assignments will be posted on the wall across from Mr. Foreman's office by end of rehearsal on Thursday of home camp.**
- Sleeping Bag can be used ON TOP OF SHEETS but mattresses and pillow will be covered with SHEETS AND PILLOWCASES. Camp provides blankets and uncased pillow, but no other linens
- Reusable Water Bottle (REQUIRED). We provide the water. Drinks with sugar are not permitted on the field due to the propensity to attract bees. **(We have bee sting allergies in TJMC).**
- Instrument and music, accessories (valve oil, reeds, etc.); guard flags/rifles
- Drill binder/dot book (binder and drill will be provided at pre-camp – don't forget to pack it!
- Shoes for marching (2-3 pairs). Well-worn, comfortable shoes “ready to be discarded because they will have a lot of paint on them” are best (from painting dots on the field).
- Lace-up tennis shoes are required: **NO hi-tops or sandals.**
- Socks – we recommend enough for several changes a day (8-10 pairs!)
- Comfortable marching practice clothes (jeans, shorts, shirts – no sports bras or suggestive clothing – we are more concerned about sunburn than suntan lines.
- Knee, Ankle, Back braces, if needed
- Bath towel, beach towel, washcloths
- Bathing Suit – yes, there is a nice pool – especially for trumpet sectionals . . .
- Personal Hygiene Articles (toothpaste, toothbrush, deodorant, shampoo, bug stuff, etc.)

- Fan, if desired. There is no air conditioning.
- Optional sports equipment (Frisbee, tennis racquet, basketball, etc.)
- Cell phones are ok – but service is sporadic at best – no use in rehearsal, on the field.
