How do I place a Scrip order?

Reloading physical cards purchased through our Scrip program is easy. Simply follow the instructions to register your purchased cards, then opt to reload. Please note that not all vendors allow reloading.

How do I pay for my Scrip purchases?

PrestoPay: Most families pay for Scrip electronically from their checking account with **PrestoPay**. To register for PrestoPay, go to the Dashboard page at www.shopwithscrip.com. Click on *Family Functions* on the left-hand sidebar and select *Payment Types*. Choose either *Instantly Link a Bank Account* or *Manually Enter Account Numbers*. Please note that manually entering the account information will require 1-2 business days for Great Lakes Scrip Center (GLSC) to process. When you pay for a Scrip order using PrestoPay, a small convenience fee of 15 cents will be added to your total order amount.

Personal Check: If you do not wish to use PrestoPay, you may pay for Scrip orders by personal check. To pay by check, place your order online and select *Check* as your method of payment. Make your check payable to TJ Band Boosters. Have your student bring the check to school by the delivery date and place it in the silver payments box outside the band room. You may also mail your check directly to the Scrip Coordinator.

Tip for check writers: Place eCard and physical card orders separately. This allows the eCards to be released immediately. You may still pay with a single check for both transactions.

Credit Card: *New for 2019* You may now pay for Scrip using your credit card. Please note that GLSC will charge a fee of 2.6% of the product total for credit card purchases.

Kindly note that we are unable to release the cards until payment is received. If you have any questions, please email Val Kreider (Scrip Coordinator) at tjbandscrip@gmail.com.
