Fall 2020

Welcome to TJ Bands! Visit www.tjbands.org for more information.

Navigating 2020:

Many aspects of our practice and performing schedules are still being determined—but our TJ Bands community is dedicated to keeping our traditions vibrant, and supporting our students' musical education! We'll still have fundraisers. Stay tuned for updates as the year takes shape. We're so happy to have you with us!

What groups do the TJ Band Boosters support?

4 curricular groups that meet as scheduled classes during the school day:

- Symphonic Band (SB)
- Symphonic Wind Ensemble (SWE)
- Symphonic Percussion Ensemble (also performs with SB)
- Percussion Ensemble (also performs with SWE)

5 optional groups:

- Jazz Ensemble (auditioned after-school group)
- Jazz II (8th period club, Jazz I not req'd)
- TJ Marching Colonials (TJMC)
- Winter/Indoor Drum Line (TJDL)
- Winter/Indoor Color Guard (TJWG)

Who are the TJ Band Boosters?

We are the group of parent/guardian volunteers who support all aspects of the TJ Band Program. Do you have a student in one of the 9 TJ Band/Guard ensembles? Then **you** are a member of the TJ Band Boosters. No membership forms or dues. It's that easy!

In addition to fundraising, our leadership team organizes parent/guardian volunteers for many activities throughout the year. Support our students by being involved in our wonderful music program.

Fundraising...it's not a dirty word

Our fundraising activities are essential to supporting all aspects of the program. The TJ Band Boosters need to raise **over \$28,000** for the band program this coming year to cover essential expenses.

Year-round fundraisers:

- Gift/shopping cards – Shop at your usual stores while earning rebates for the band program.
- Amazon Smile – Click on [this link](#) to earn rebates on your purchases.
- Spirit wear – Show your TJ Bands pride!
- License plate frames – These are very popular, and customizable too.
- Cookbook sale – *Cooking with Colonials* is still available. Be sure to get your copy before they're gone!

Seasonal fundraisers:

- Direct donation drive in autumn
- Fruit sales – one in time for Thanksgiving, another in spring
- Coffee/tea sales
- Mattress and bedding sales – winter and spring

All fundraising will be virtual this year! Place orders online, and ship to your home. Want to save on shipping? Combine orders with a neighbor!

Our parent volunteers are essential to the success of ALL our student ensembles!

Curious about volunteering?

*Many band activities need parent support.
Your time and talents are greatly appreciated!*

- Contact any of the parents listed here.
- Keep an eye out for a SUG coming your way soon. *What's a SUG?* It's short for SignUpGenius, the online tool we use to organize our volunteers.
- Check your inbox for additional opportunities as they arise.

Help Wanted

Seeking parents to shadow or co-lead the following amazing band activities:

- Coffee/tea sales - continue our cooperative relationship with local merchants!
- Fall fundraiser - a direct-donation fundraiser, like a virtual Tag Day.
- Spring Band-quet - This one is very easy! Use existing documents to place banquet order with caterer; coordinate evening's program with Band Council; and coordinate parent volunteers for set-up, serving, and clean-up.

Contact president@tjbands.org for more info.

You are vital to the success of the TJ Band Program!

There are many ways to get involved:

- Support a fundraiser
- Chaperone a trip
- Drive a carpool
- Volunteer at an event
- Attend a concert
- Become a coordinator
- Go to a Boosters Meeting

Did you know that most local high schools raise over \$20,000 in just a few hours during their annual *Tag Day*?

What are Booster funds used for?

Booster funds pay for sectional coaches, leadership camps, equipment, uniforms, student scholarships, and other items that FCPS does not allow to be funded with student fees. Additionally, we sponsor fundraisers targeted for specialty instruments for use throughout the program. In past years, the TJ Band Program has been the grateful recipient of grants from the TJ Partnership Fund to replace several old instruments. Thank you, TJPF!

How do parents know what's going on in the band program?

- Our website - www.tjbands.org
- Occasional newsletters
- Emails from Mr. Ballard and the Band Boosters - The frequency depends on what is going on.
- *This Week @ TJ* - Look for blurbs in the weekly school newsletter.
- Your student - really. Information is given to students during their rehearsals or posted on *The Drive*. Student-led Band Council communicates through the closed (students only) Facebook page.
- Calendars specific to each ensemble.

In a typical year... these are some of the helpers we need!

SWE/SB/Jazz Band/ Percussion Ensemble

For an evening with our concert ensembles, these people will have been hard at work behind the scenes:

- Volunteers to measure students for concert attire at the beginning of the school year, and to help make sure everyone has the full outfit on concert night;
- Coordinators to take a meal order for students, to be eaten after school and before the concert;
- Helpers to set up and monitor a table of refreshments for a post-concert reception;
- Food and drink contributions to fill that table;
- Volunteers to help sell spirit wear and answer questions.
- Shutterbugs to take photos!!

Marching Band

TJMC relies on volunteers for many things! When our season gets off the ground, we will need:

- Detail-oriented folks to help measure for, organize, distribute, and maintain uniforms;
- Construction experts to help design and assemble props;
- Shoppers to procure snacks, water, and other supplies;
- Chaperones to travel on buses with students and stay overnight with them at band camp, and for some of our more distant competitions;
- Rental truck drivers to transport our equipment and props;
- Safety experts to maintain the first-aid kits;
- Helpers to carry water to musicians and guard for warmups before football games;
- Assistants to help push props and large pit instruments on and off the field for performance;
- Parents comfortable behind the camera, to take photos!

Some of these jobs are one-task signups, while others are handled by season- or year-long leads. Try helping out for one event, to see if a coordinator position might be right for you?

Spelling It Out

So now you speak SWE, and can step out with TJMC. But that's not the end of the acronyms! These are some of the organizations—ranging from local to international!—that coordinate events for our bands:

AIA: Atlantic Indoor Association

BOA: Bands of America (coordinates marching band competitions)

VBODA: Virginia Band and Orchestra Directors' Association

VMBC: Virginia Marching Band Cooperative

VMEA: Virginia Music Educators Association

WGI: Winter Guard International

TJDL/TJWG

Drumline and winter guard volunteers help with many of the tasks familiar to marching band helpers:

- Measure students for uniforms, and help alter outfits for performance.**
- Drive equipment trucks, and help unload.**
- Provide strong arms to help hustle equipment on and off the performance floor.**
- Chaperone away trips, including some overnight stays.**
- Take photos at performances!**
