Notes –

The Jazz Ensemble will occasionally be asked to perform at events that come up throughout the year – I rely on the students to check their calendars when we are asked to perform and get back with me quickly to see whether or not we can accept the gig.

The Spring Trip is an optional music department trip. It is open to all members of the program. It is tentative whether we will have this event.

There are additional 8th Period rehearsals that students are expected to attend that are on the intranet and posted outside my office well in advance.

Calendars for TJMC, Winter Drumline and Winter Color Guard will be posted on the website and distributed separately, they including regular rehearsals after school as well as weekend competition events in Feb and March, leading to the listed events above.

Communication is the key! If there is ever any issue please communicate with me as soon as possible to see if there are any possible solutions.
