Notes –

The dates listed here are rough estimates for next year. If they say “*tentative*” then please know they could adjust significantly. These will be updated as we time passes and this document will be updated along with them. Please use this as a general guide for what to expect but stay tuned as adjustments are made.

The events highlighted in BLUE are the only required events for ALL Curricular Band members. (Percussion has two additional due to the VMEA event this year, but this is unique.) ALL OTHER LISTED EVENTS are either optional, or only required for an ensemble that is optional.

The Jazz Ensemble will occasionally be asked to perform at events that come up throughout the year – I rely on the students to check their calendars when we are asked to perform and get back with me quickly to see whether we can accept the gig.

The Spring Trip is an optional music department trip that may or may not be offered each year. When it is offered, it is open to all members of the program and sign-ups happen after destination, fees, and details have been announced.

There are additional 8th Period rehearsals that students are expected to attend that are on the intranet and in the band room well in advance.

Calendars for TJMC, Winter Drumline and Winter Color Guard will be posted on the website and distributed separately, they include regular rehearsals after school as well as weekend competition events in Feb, March, and April in addition to the listed events above.

Communication is the key! If there are ever any issues, please communicate with me as soon as possible to see if there are any possible solutions.
